

Welcome from **Diamond Tennis Academy**,

We would like to let you know about a fantastic opportunity for your child to learn tennis at their school and to experience the knowledge and guidance of our highly qualified tennis coaches (all CRB checked) and the use of top quality tennis equipment, with the aim of having fun, keeping active and fine tuning their tennis skills.

Diamond Tennis Academy not only runs after school clubs, but we also train club and county players at our Heath Park training facility. Through our programme of structured and challenging lessons our coaches develop the tennis and fitness skills required to compete against other players throughout South Wales.

We teach serving, returning, fore and backhand as well as volleys and how these can be put into practice in a competitive environment. Players are tested each term and when they reach the required standard they receive a certificate and are promoted to the next training group

As we run in tandem with the school terms we are able to offer Tennis Camps at Heath Park and Victoria Park (Canton) where players have a greater amount of time on court to progress their skills,

Now for the important stuff....
