## Tennis Standard

In order to match up players of similar ability please indicate your level below:

|  |  |
|--|--|
| <b>Level 1 – Beginner</b> – just starting out, main aim is getting the ball over the net and in between the lines! Just wants to practice at the moment, serve not developed enough to play a proper game. |  |
| <b>Level 2 – Rusty</b> – haven’t played for a while or not been playing for long– serve and ground strokes a bit “hit n miss” ,interested in playing a few games – but nothing too competitive!            |  |
| <b>Level 3 – Improver</b> – Not quite Canton’s answer to Andy Murray or Serena Williams but has been playing for a while and confident enough to play a match.   |  |

**Members both play and use the club’s equipment at their own risk and adhere to club rules.**
