

To all our players at Rhondda LTC:

It is with regret that I inform you that Head Coach Sena Tengey and Diamond Tennis Academy will no longer be providing coaching at Rhondda Tennis Club, effective 24th October, 2010.

We would like to thank you for learning to play tennis with us. We have really enjoyed helping you develop your skills and watch you improve over the course of the 18 months during which we have worked together. We hope you feel the same way and have enjoyed your experience with our coaching team.

We trust you will continue to take your interest in tennis further by working alongside the club to reach the peak of your potential and wish you the best of luck for your future with the sport.

Regards,

The Diamond Tennis Academy Team
